PAUL LLOYD WARNER, composer, pianist, recording artist, creates his music in nature. He records on multiple Keyboards "LIVE" in some of the most spectacular wilderness locations in America. He has performed at inspiring places such as the Grand Canyon, Yosemite, the Rockies, Puget Sound, Big Sur, Oregon Coast, Hawaii, Canada, which makes his music as compelling as the locations in which the music is created. Born in Los Angeles, California, he studied piano from the age of 6. His music is beautiful, inspiring, uplifting, relaxing, and having healing qualities. It is loved by millions of enthusiastic fans throughout the world.
